**Braemar Hills / Gleason Circle / St. Patrick's Lane Neighborhood
Roadway Reconstruction**

Dear Resident:

The following is a quick update of the project in your neighborhood:

Neighborhood Reconstruction Schedule

Crews have finished grading the roadway on St. Patrick's Lane and Gleason Circle. They will continue to grade the roadway on Scotia Drive, Tupa Drive and Tupa Circle next week. Access to your homes will be limited during the day.

The roadway will be open during the grading processes with isolated closures in areas where crews are working. If you have any special needs or questions, feel free to ask one of the workers or me for assistance.

Next week, crews will continue to repair asphalt driveways disturbed by construction.

Paving the first layer of asphalt in the neighborhood will begin later next week, weather permitting.

Boulevard restoration

Joe Bartusek of Premiere Lawn is on vacation this week. If you have already left him a voicemail or sent him an email, he will get back to you when he returns next week.

Crews will continue to restore irrigation systems, pet fences and disturbed turf. If you have an irrigation or pet containment system and have not been contacted by Premiere Lawn's Joe Bartusek, please call 952-292-5370 or email PremiereLawn@gmail.com to schedule an appointment. He will do a final adjustment after the black dirt and hydro-seed are placed.

Communications

For detailed information about the project, visit www.EdinaMN.gov/construction_braemar_gleason_stpatricks. The City of Edina and Northwest Asphalt thank you for your patience and cooperation throughout the project.

Regards,

Jeff Frahm
